Dear Michael,

I would like to take this opportunity to thank you and all the wonderful folks at Diversified Electrical Systems. Over the past several years we have successfully completed numerous projects where Diversified played a major role in that success.

More specifically, your work efforts on the following retrofit for technology and electrical upgrade projects was the primary reason for our overwhelming success managing these projects.:

- Anderson Elementary School - Electrical Upgrades and Security Camera installations
- Cambridge Elementary School - Security Camera Installations
- Indialantic Elementary School - Electrical Retrofit for Technology Upgrades including Intercom System
- Stone Middle School - Electrical Retrofit for Technology Upgrades including Intercom System
- Eau Gallie High School - Electrical Retrofit for Technology Upgrades including Power and Camera Upgrades

Diversified's committed involvement was critical from the beginning of these project and thru their conclusion.

Diversified consistently met and exceeded our expectations and expeditiously solved problems, allowing all projects to stay on schedule and within budget. The expertise and professionalism exhibited by the Diversified team is second to none.

On behalf of Heard Construction, Inc. (HCI) we applaud the efforts of Diversified Electrical Systems and look forward to working with you on future projects.

Sincerely,

Harry Earl, Vice President  
Heard Construction, Inc.
